Plant Pop-Up Event

In August, locally owned Plants Delivered Chicago was able to come by our building with a variety of small and medium home-office and desk plants for sale. With your help, they were able to sell out in just a few hours!

Thank you to everyone who came out to give these plants a new home and supported a shop that helps create meals in the fight against food insecurity. For more information on this wonderful company, feel free to check out their website: www.plantsdeliveredchicago.com

National Chocolate Chip Cookie Day

In honor of National Chocolate Chip Cookie Day, free cookies were given out to all tenants in the lobby! We hope you and your colleagues were able to stop down for a delicious treat. We appreciate all of you and thank you for celebrating with us!

Reminders:

City of Chicago Mask Mandate

Effective August 20, 2021, the Chicago Department of Public Health announced that it is reinstating the face mask mandate for all indoor public settings. As a reminder, all individuals, regardless of vaccination status, are required to wear a mask when inside public spaces, including hallways, bathrooms, and the fitness center.

For more information, please contact management at 312-629-5000.

Lyric Opera Events

The Lyric Opera has returned to the stage! See their [website](#) to explore upcoming shows and events, including [Macbeth](#) and [The Elixir of Love](#).

Macbeth: September 17, 2021 – October 9, 2021

By Giuseppe Verdi

Lyric's riveting season opener is the inaugural production of Music Director Enrique Mazzola's tenure, and a brand-new production from Sir David McVicar. Adapting one of the greatest tragedies written by his hero, Shakespeare, Verdi created a stunning portrait of the most power-hungry couple who ever trod a stage. Macbeth's bloody ascent to the throne of Scotland — led and supported by his wife's own consuming ambition — results in disaster for them both. Verdi brings them to blazing life in a score that bristles with energy and endless excitement. Grand-scale arias, hair-raising duets, stupendous ensembles — they're all here, in the first genuine masterpiece of Verdi's career.

The Elixir of Love: September 26, 2021 – October 8, 2021

By Gaetano Donizetti

No operatic hero is more endearing than Nemorino, who pines for the flirtatious Adina. She's the owner of the town's hotel, he's her delightfully naive waiter. His only hope to win her is the "elixir" sold by the quack, Dr. Dulcamara — little does he know that it's just Bordeaux wine! From start to finish we root for Nemorino, as Adina toys with him until she finally lets him know how she really feels. Elixir is opera's most heartwarming comedy, filled with Donizetti's delectable music that brings nonstop smiles.
